Diploma: Hospitality Management

Course Information

The programme Hospitality Management is geared towards equipping students with skills and practical knowledge that can be applied in the industry. The subjects offer the students the opportunity to pursue a career in various possible career paths, because the spectrum of knowledge gained is so broad and unique. This ensures that students obtain jobs easier than students with purely academic knowledge. A practical module to ensure and evaluate the student's ability and understanding of the module accompanies each module. ED-U City Campus demands a great deal of experiential learning as prerequisite to complete the academic Qualification. ED-U City Campus thus enables students to make themselves more employable and prepared for the job market. Level, total credits required credits and learning components assigned to the Qualifications.
