<b>Qualification – Further Education and Training Certificate: Early Childhood Development</b> Field 05 - Education, Training and Development		

## Further Education and Training Certificate: Early Childhood Development

### Course Information

This Qualification will provide a means for formal recognition of those who are already practising in the field, but without qualifications, as well as for those who wish to enter the field. This qualification will also provide a basis for further professional development in the higher education and training band for many experienced practitioners in the field who have had limited or difficult access to further career development opportunities.

**Who should enrol on this Further Education and Training Certificate: Early Childhood Development course?**

This Qualification will provide a means for formal recognition of those who are already practising in the field, but without qualifications, as well as for those who wish to enter the field. This qualification will also provide a basis for further professional development in the higher education and training band for many experienced practitioners in the field who have had limited or difficult access to further career development opportunities.

This qualification will provide a means to give recognition to practitioners at an entry level, thus making it possible for practitioners to increase their employment prospects, and at the same time provide the field with suitably qualified practitioners.

What are the pre-requisites for the **Further Education and Training Certificate: Early Childhood Development** course?

For you to enrol on this qualification you should be in possession of:

- A National Senior Certificate or equivalent.
- 'Equivalent' refers to foreign qualifications (these are qualifications that you obtained in a foreign country, and which are evaluated by SAQA to be equivalent to the university entrance qualification of South Africa).
- A good command of English.

Further studies after **Further Education and Training Certificate: Early Childhood Development**

What is the articulation pathway for me once I have completed this full-time course? In other words, what is the possible next step when I have received this qualification? Once you have obtained this qualification in Early Childhood Development, you have the option of entering the world of work immediately, or other appropriate fields through articulation with other tertiary institutions. You can obtain a degree at any other tertiary institution (university or private university in South Africa).

What are my next steps?
